

You like cutting-edge technologies and working in a dynamic team on popular applications? Then we have a job for you:

Senior Javascript Developer

Who We Are

ambrite is a Swiss, Latvian and South African based company offering software solutions for data mining, predictive analytics and TV Services. Due to its focus on state-of-the-art open source software components and integration of the latest machine learning research, ambrite has become a key partner for local and global players in Switzerland and Europe in the government and the energy and telecommunication industries. For our Latvian-based branch, we are looking for senior developers that are as passionate about TV consumer services and data science as we are.

ambrite is currently working for the leader in Entertainment Services in Switzerland and Europe to provide software solutions for backend systems and user interfaces for the pay TV industry. Together, we create a next generation platform which will replace or extend current consumer services in the market. We are looking for you to develop this next generation of software.

What We Are Looking For

- Javascript, Typescript in depth knowledge
- React, Jest skills a must, Storybook a plus
- In-depth knowledge of the web-platform, including styling (any flavour)
- interest/skills in server-side development in Node.JS
- familiarity with test driven workflows
- experience in creating npm libraries a plus
- interest in cloud technologies, Google Cloud Platform preferred
- familiarity with modern software development processes (devOps culture), in particular CI/CD
- basic understanding of SQL/NoSQL (Database modelling a plus)
- experience in agile methodology
- understanding of the full web development life cycle
- very good / fluent in English

What We Offer

- become a member of a motivated international team in Switzerland, Latvia, South Africa and other locations
- consumer projects with interesting clients in Europe and North America
- conference visits, courses for further education and extensive library

If you are interested in joining ambrite, please do not hesitate to mail your application documents via jobs@ambrite.lv. We are looking forward to hearing from you.
